POTENTIAL AND CONTENTS OF THIS MAP
This map is intended to make it easier to navigate the area by displaying motor vehicle routes and facilities associated with designated roads. The map shows the UTM zone and grid on the border of the map and the scales for 1:24,000, 1:50,000, and 1:100,000. The map also includes a Vicinity Map, an Explanation of Legend Items, Prohibitions, Operator Responsibilities, and Dispersed Camping. The map is designed to help users understand the rules and regulations for using motorized vehicles in the area. The map is updated regularly to reflect changes in the area. It is important to note that the map does not display nonmotorized uses or over-water crossings. The map is intended to be a tool for visitors to plan their experiences in the area.
