EXHIBIT B

The following Colorado boating regulation defines the “No Wake” speed limit for watercraft as required by Prohibition # 2 of this Order.

#218 PROHIBITED OPERATION

1. The term “wake” means a movement of the water created by a boat underway, great enough to disturb a boat at rest, but under no circumstances shall a boat underway exceed five (5) miles per hour while in a posted wakeless area. The term “above a wakeless speed” means operating a vessel at such a speed as to create a wake. No person shall operate any vessel in such a manner as to create a wake, when such waters or parts thereof are posted by signs or marked by buoys prohibiting a wake.
