

Sawtooth National Forest 2020 Motor Vehicle Use Maps

Use the Avenza Maps™ App to scan the desired map QR code. Avenza Maps™ is a free application for smartphones and tablets that allows users to track their location on georeferenced base maps. Once the map is downloaded it relies on the device's built-in GPS to show your location, even without a network or internet connection. www.avenzamaps.com
Maps also available online at: www.fs.usda.gov/main/sawtooth/maps-pubs and at Sawtooth National Forest offices.
