 These roads are open only to motor vehicles licensed under State law for general operation on all public roads within the state.

**Roads Open to All Vehicles:**  
 These roads are open to all motor vehicles, including smaller off-highway vehicles that may not be licensed for highway use (but not to oversize or overweight vehicles under State traffic law).

**Trails Open to Wheeled Vehicles 50' or less in Width:**  
 These trails are open only to wheeled, motor vehicles less than 50 inches in width at the widest point on the vehicle.

**These symbols are used to show routes the Forest Service does not have jurisdiction over and has not designated for motorized use. These symbols are part of the reference layers showing connections to towns and cities outside the forest boundary.**

**Dispersed Camping Allowed:**  
 Motor vehicle use off of designated roads only for accessing dispersed campsites is permitted for up to 300 feet from the centerline of the road for the period of allowed use as shown on this map except in areas where there are Marked Designated Dispersed Sites.

**Short Route Identifier:**  
 This symbol is used for roads that are too short to show a symbol type on the map. The symbol contains the number of the road or trail. Users should refer to the corresponding number in the Short Route Table for designation information.

**Milepost Marker:**  
 This symbol is used to display the beginning and ending mileposts of a road that has a change in the designation but not the symbology.

**Marked Designated Dispersed Sites**  
 In certain areas along designated motor vehicle routes where general dispersed camping with motor vehicles is not allowed, a number of designated dispersed campsites have been marked on-the-ground. In these designated dispersed campsites, the access road to the site and the site itself are only open to motor vehicles for the purpose of camping during the same season of use indicated for the adjacent road.

Currently, marked designated dispersed sites are located in the Phillips Ridge, Curtis Canyon, Shadow Mountain, Spread Creek, Buffalo Valley and Pacific Creek areas.
