However, if legal dead fuelwood (as defined by permit) is located beyond 30' via hiking, horseback or visually spotting from the road then permittees are authorized to make one trip in and out.

Peach colored areas on map contain pinyon and juniper. Gathering of dead fuelwood is permitted but motorized vehicles are NOT authorized beyond 30 feet off roads.

These areas include timber sale & thinning contract areas; research areas, wilderness areas, pediocactus habitat and meadows.
