

DESCHUTES NATIONAL FOREST DEVELOPED SITES STATUS (updated May 29, 2020)

While all boat ramps and day-use sites currently are not open we are actively working to get all sites open. Please look at the list below to see if a site is open before going. Most sites will not have services, like garbage and clean restrooms available. Be prepared to take out your own waste and bring water. If a site is closed, please go to a site that is open. No matter where you are recreating, please follow social distancing guidelines.

If you have questions, please contact the appropriate Ranger District (M-F, 8 a.m. to 4:30 p.m.)
