

## LOGAN AND OGDEN RANGER DISTRICTS FIREWOOD CUTTING

The Logan and Ogden Ranger Districts of the Uinta-Wasatch-Cache National Forest will begin selling firewood permits for the 2020 season over the phone and through the mail on Monday, June 15th. Permit holders may begin cutting after their permit is received via U.S. Postal Service.

Purchases can be made by credit card over the phone, or by check through the mail. Purchasers using a credit card should call the Ranger District offices during regular business hours between 8 a.m. to 4:30 pm, Monday through Friday.

- Logan Ranger District (435) 755-3620, 1500 E. Highway 89, Logan, UT 84321
- Ogden Ranger District, (801) 625-5112, 507 25<sup>th</sup> St., Ogden, UT 84401

Whether purchasing by credit card or check, purchasers should be prepared to provide their name, address, phone number, type of identification and identification number, and number of cords desired.

The minimum cost for a permit is \$30 for 4 cords of firewood. Each additional cord is \$7.50, with a maximum purchase of 10 cords per household in 2020.

Permits will be mailed to purchasers, along with a receipt, cutting instructions and a map. Purchasers are required to sign and date the permit in the permittee line as soon as it is received.

Firewood permits allow for the cutting and removal of any dead wood on the ground, in designated areas. Standing dead trees may not be felled or removed.”
