IMPORTANT PLEASE NOTE THE FOLLOWING INFORMATION FOR THIS YEAR!

Most campgrounds moved to **100% reservations** to decrease contact between hosts and visitors. People are encouraged to make reservations ahead of time. Reservations can be made at Recreation.gov. Sites are available with a two-day booking window, excepts sites in the Newberry National Volcanic Monument that have a three-day booking window. The booking window is how far in advance you can book the site. Any sites not reserved will be "first-come, first-serve;" however, if you are using a "first-come, first-serve" site you will have to leave the site by the date of an incoming reservation shown on the placard.
