## General Rules:

All vehicles must be registered. This includes all Off-Highway Vehicles (OHV) such as ATV's, UTV's, dirt bikes, etc. All OHV's must be operated & registered in accordance with ND OHV laws which can be found at:

<https://www.parkrec.nd.gov/business/recreation-programs/highway-vehicles-ohv>

Permits can be purchased @ <https://travel.parkrecnd.com/campgrounds-and-rv-parks/all/North-Dakota-Parks-and-Recreation/permits>

In accordance with 36 CFR 261, Use of Vehicles off roads is prohibited if the vehicle is operated in the following manner:

10(a) Maintaining unauthorized roads and trails by use.

15(e) While under the influence of alcohol or other drugs.

15(g) Carelessly, recklessly, or without regards for the safety of any person, or in a manner that endangers, or is likely to endanger, any person or property.

15(h) In a manner which damages or unreasonably disturbs the land, wildlife, or vegetative resources.

15(i) In violation of State laws established for vehicles used off roads.

During wet conditions, confine all motorized travel to the major, improved surface gravel roads.

## Stay on existing roads & trails.

## All off road travel is prohibited.

## Livestock graze throughout the grasslands.

## Take extra precautions when livestock are present.

## Leave all gates as you found them whether opened or closed.

## Respect the land.

### Pack it in, Pack it out.

### **Practice Leave No Trace Principles:**

Remember to pick up garbage, spent shells, target remnants and anything else you bring to the grasslands.

### Respect Private Land & Property Owners:

Do not enter private land without permission from the landowner.

Use the Little Missouri National Grassland (LMNG) map while on the grasslands to ensure you are in an area authorized for public use. The LMNG map is available for purchase at the district offices.

**Non-motorized** areas are located throughout the district. These areas are closed to all motorized vehicles. These areas are distinguished on the LMNG map or the Avenza app.

*Many popular hunting apps such as OnX are a great tool. However, they do not distinguish between motorized and non-motorized areas. These apps are not always accurate. Please use these apps in conjunction with the LMNG map for accurate information.*

**PLEASE OBEY ALL SIGNS.**
