### Seasonal Open and Close Dates for Motorized Wheeled Vehicle Use on NFS Routes

The table below lists the open dates for wheeled vehicle use (i.e., motorized vehicles) on NFS roads and trails. The table indicates the management by route and by alternative, including whether an action alternative (Alternative 2 or Alternative 3) proposes a change from Alternative 1 for each route. The proposal number identified in the table correlates to the proposals listed and described in the original Appendix B: Table 1 and Table 3.
