## Direct Hire-Authority Announcements

Applications will be accepted from any US citizen. All applicants who meet the minimum qualifications, to include any selective placement factor(s), if applicable, will be referred to the selecting official. Before a certificate is issued to the selecting official, the resume is reviewed to ensure you meet the basic qualification requirements. A rating will not be used; veteran's preference does not apply due to the existence of the Direct Hire authority for this position. **You must include: a resume, college transcripts (if required), CTAP/ICTAP documentation and/or ICQS Master Record.**

## Things to keep in mind when applying:

- Vacancy Announcements on USAJobs will give examples of the specialized experience for each position advertised. Ensure your resume matches the listed specialized experience requirement in plain language. This should be listed under a work experience that shows title, series, grade and time period performed so that HR can properly credit.
- Ensure all required documents listed in the vacancy announcement are attached to your application.
- Allow yourself plenty of time to apply for positions. The USAStaffing system closes all announcements at midnight Eastern on closing date.
- Print and read the entire vacancy announcement to ensure you have included all required information and documents.
