

CREW BOSS

WILDLAND FIREFIGHTER POSITION -PERMANENT WITH BENEFITS-

If you would like to be involved with Hand Crews, Modules, Engines, Fuels, and helping mentor upcoming Job Corps Students this is the job for you. Looking for a motivated person who can adjust on the fly and adapt to an everchanging environment. Positive attitude, willingness to learn and ability to work in a team setting is a must! This position is primary fire and falls under a National Resource so you will be made available to travel and work anywhere needed for Wildland Fire and All Hazard All Risk Incidents.

Responsibilities include but are not limited to: Directing a module of 10-20 person hand crew, planning and implementing work such as coordinating resources, vehicles, supplies and equipment, developing JHAs or Risk Analyses, and conducting job skill training. Ability to track budgets, accomplish projects, monitor work quality and perform wildfire suppression support are just a few qualities we are looking for. Must be qualified as FFT1 & ICT5.
