Violation of this prohibition is punishable by a fine of not more than $5,000.00 for an individual or $10,000 for an organization, or imprisonment for not more than 6 months, or both. Title 16 USC Section 551 and USC 3559 and 3571.
Assessment of Need and Enforcement Plan

1. **Background.** The Chancellor Trail #754 has several slides which have obliterated the trail or made it impassable to stock.

2. **Intent of Subpart B order.** The trail in the Boulder Creek section can’t be safely crossed with stock due to narrow tread and cliffs. The section near Cedar Creek crossing has been obliterated by a slide and would require crossing an unstable steep slope with a swift flowing stream at the bottom. The intent is to reduce risk to the safety and health of the public that may want to use the trail.

3. **Enforcement Plan.** The following activities need to occur to implement this special order in a manner that results in public acceptance and safety:
