**OPERATOR RESPONSIBILITIES**

Motor vehicle operators are responsible for the safe and prudent operation of their vehicles on roads maintained as open to the public. They must be familiar with the road conditions, the environment, and the laws and regulations governing the use of motor vehicles on National Forest System lands. They must also be prepared to make decisions that ensure the safety of themselves and others.

**PROHIBITIONS**

Motor vehicle operators are prohibited from exceeding the speed limit, driving through closed areas, or driving off-road. They must also be aware of the limitations on the use of National Forest System lands, such as restrictions on hunting, fishing, and camping.

**INFORMATION SOURCES**

This map is based on information provided by the U.S. Forest Service and other federal, state, and local agencies. Additional information may be obtained from the local national forest office.

**EXPLANATION OF LEGEND ITEMS**

- **Legend**: This section explains the symbols and codes used on the map. It includes information on the different types of roads, trails, and natural features.

**VICINITY MAP**
