Purpose and Contents of This Map

The information on this Motor Vehicle Use Map (MVUM) is based on the National Forest System's land status and access information as of the date this MVUM was made available to the public. The information is considered current as of the date on the front cover of this MVUM; and will remain in effect until revised by the responsible official. These designations apply only to National Forest System lands in the Watauga Ranger District that are designated for motor vehicle use pursuant to 36 CFR 212.51; are effective as of the date on the front cover of this MVUM; and will remain in effect until revised by the responsible official pursuant to 36 CFR 212.51.

Use Map

This symbol, used in conjunction with one of the other road or trail symbols, represents a Motorized Trail Access. These trails are open to a variety of wheeled or tracked motorized vehicles. These designations apply only to National Forest System lands in the Watauga Ranger District that are designated for motor vehicle use pursuant to 36 CFR 212.51.

Prohibitions

The designation "road or trail open to all motor vehicle use" includes parking along designated routes and at facilities in these areas. Such a temporary and/or emergency closure of any designated road, trail, or area will be posted by the Forest Service travel management regulation.

Explanations of Legend Items

Forest or Unit Boundary: National Forest System boundaries and/or Unit boundaries. Periodic or seasonal status is depicted on the legend note.

Eighteen inch scale

This map is designed to depict the status of trails, roads, and other features. In addition, this map includes information about trails and roads that are not open to motor vehicle use and other related information. This information includes the status of other uses such as hunting, fishing, and other activities. The map also includes information about the status of roads and trails that are not open to motor vehicle use. This information is based on the latest available information from the Forest Service.
