This map was produced from geospatial information prepared by the U.S.D.A. Forest Service. GIS data and product accuracy may vary. They may be developed from sources of differing accuracy, accurate only at certain scales, based on modeling or interpretation, or incomplete while being created or revised. Using GIS products for purposes other than those for which they were created, may yield inaccurate or misleading results. This information was released in January 2005. The U.S.D.A. Forest Service reserves the right to correct, update, modify, or replace GIS products without notification. For more information, contact:
