Brazil Creek

Eastern Region, USDA Forest Service

September 6, 2005.

Highlights
The 24 mile Berryman National Recreation Trail, in addition to being part of the Courtois Section of the Ozark Trail, passes by this campground located on Brazil Creek. Horses are welcome in the campground, and a small creek provides water for stock.

Trail
The Berryman Trail traverses 24 miles of scenic Ozark countryside and is open for hiking, equestrian and mountain bike use. Bike riders must yield the right-of-way when encountering horseback riders. Brazil Creek provides water for stock.

The 40-mile Courtois Section of the Ozark Trail runs from Huzzah Conservation Area to the north to Hazel Creek Campground on the south, with a 5-mile gap of uncompleted trail on the northern part, between Huzzah CA and Harmon Springs.

Camping Facilities
8 campsites, each with table, lantern post and fire ring; vault toilet is conveniently located, no drinking water. No trash bins; please pack out what you pack in. Open all year.

Picnicking
There is no picnic area but a campsite can be used for picnicking.
