

2010 Tusayan Paid Firewood Permit

Cutting Season: May 3 - December 12, 2010

Only dead trees may be cut.

Dead limbs may not be removed from live trees. Trees must be completely dead with no live foliage.

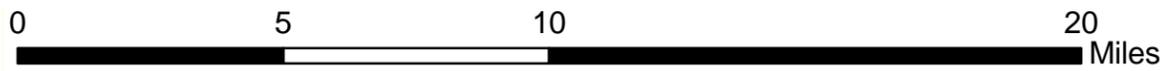

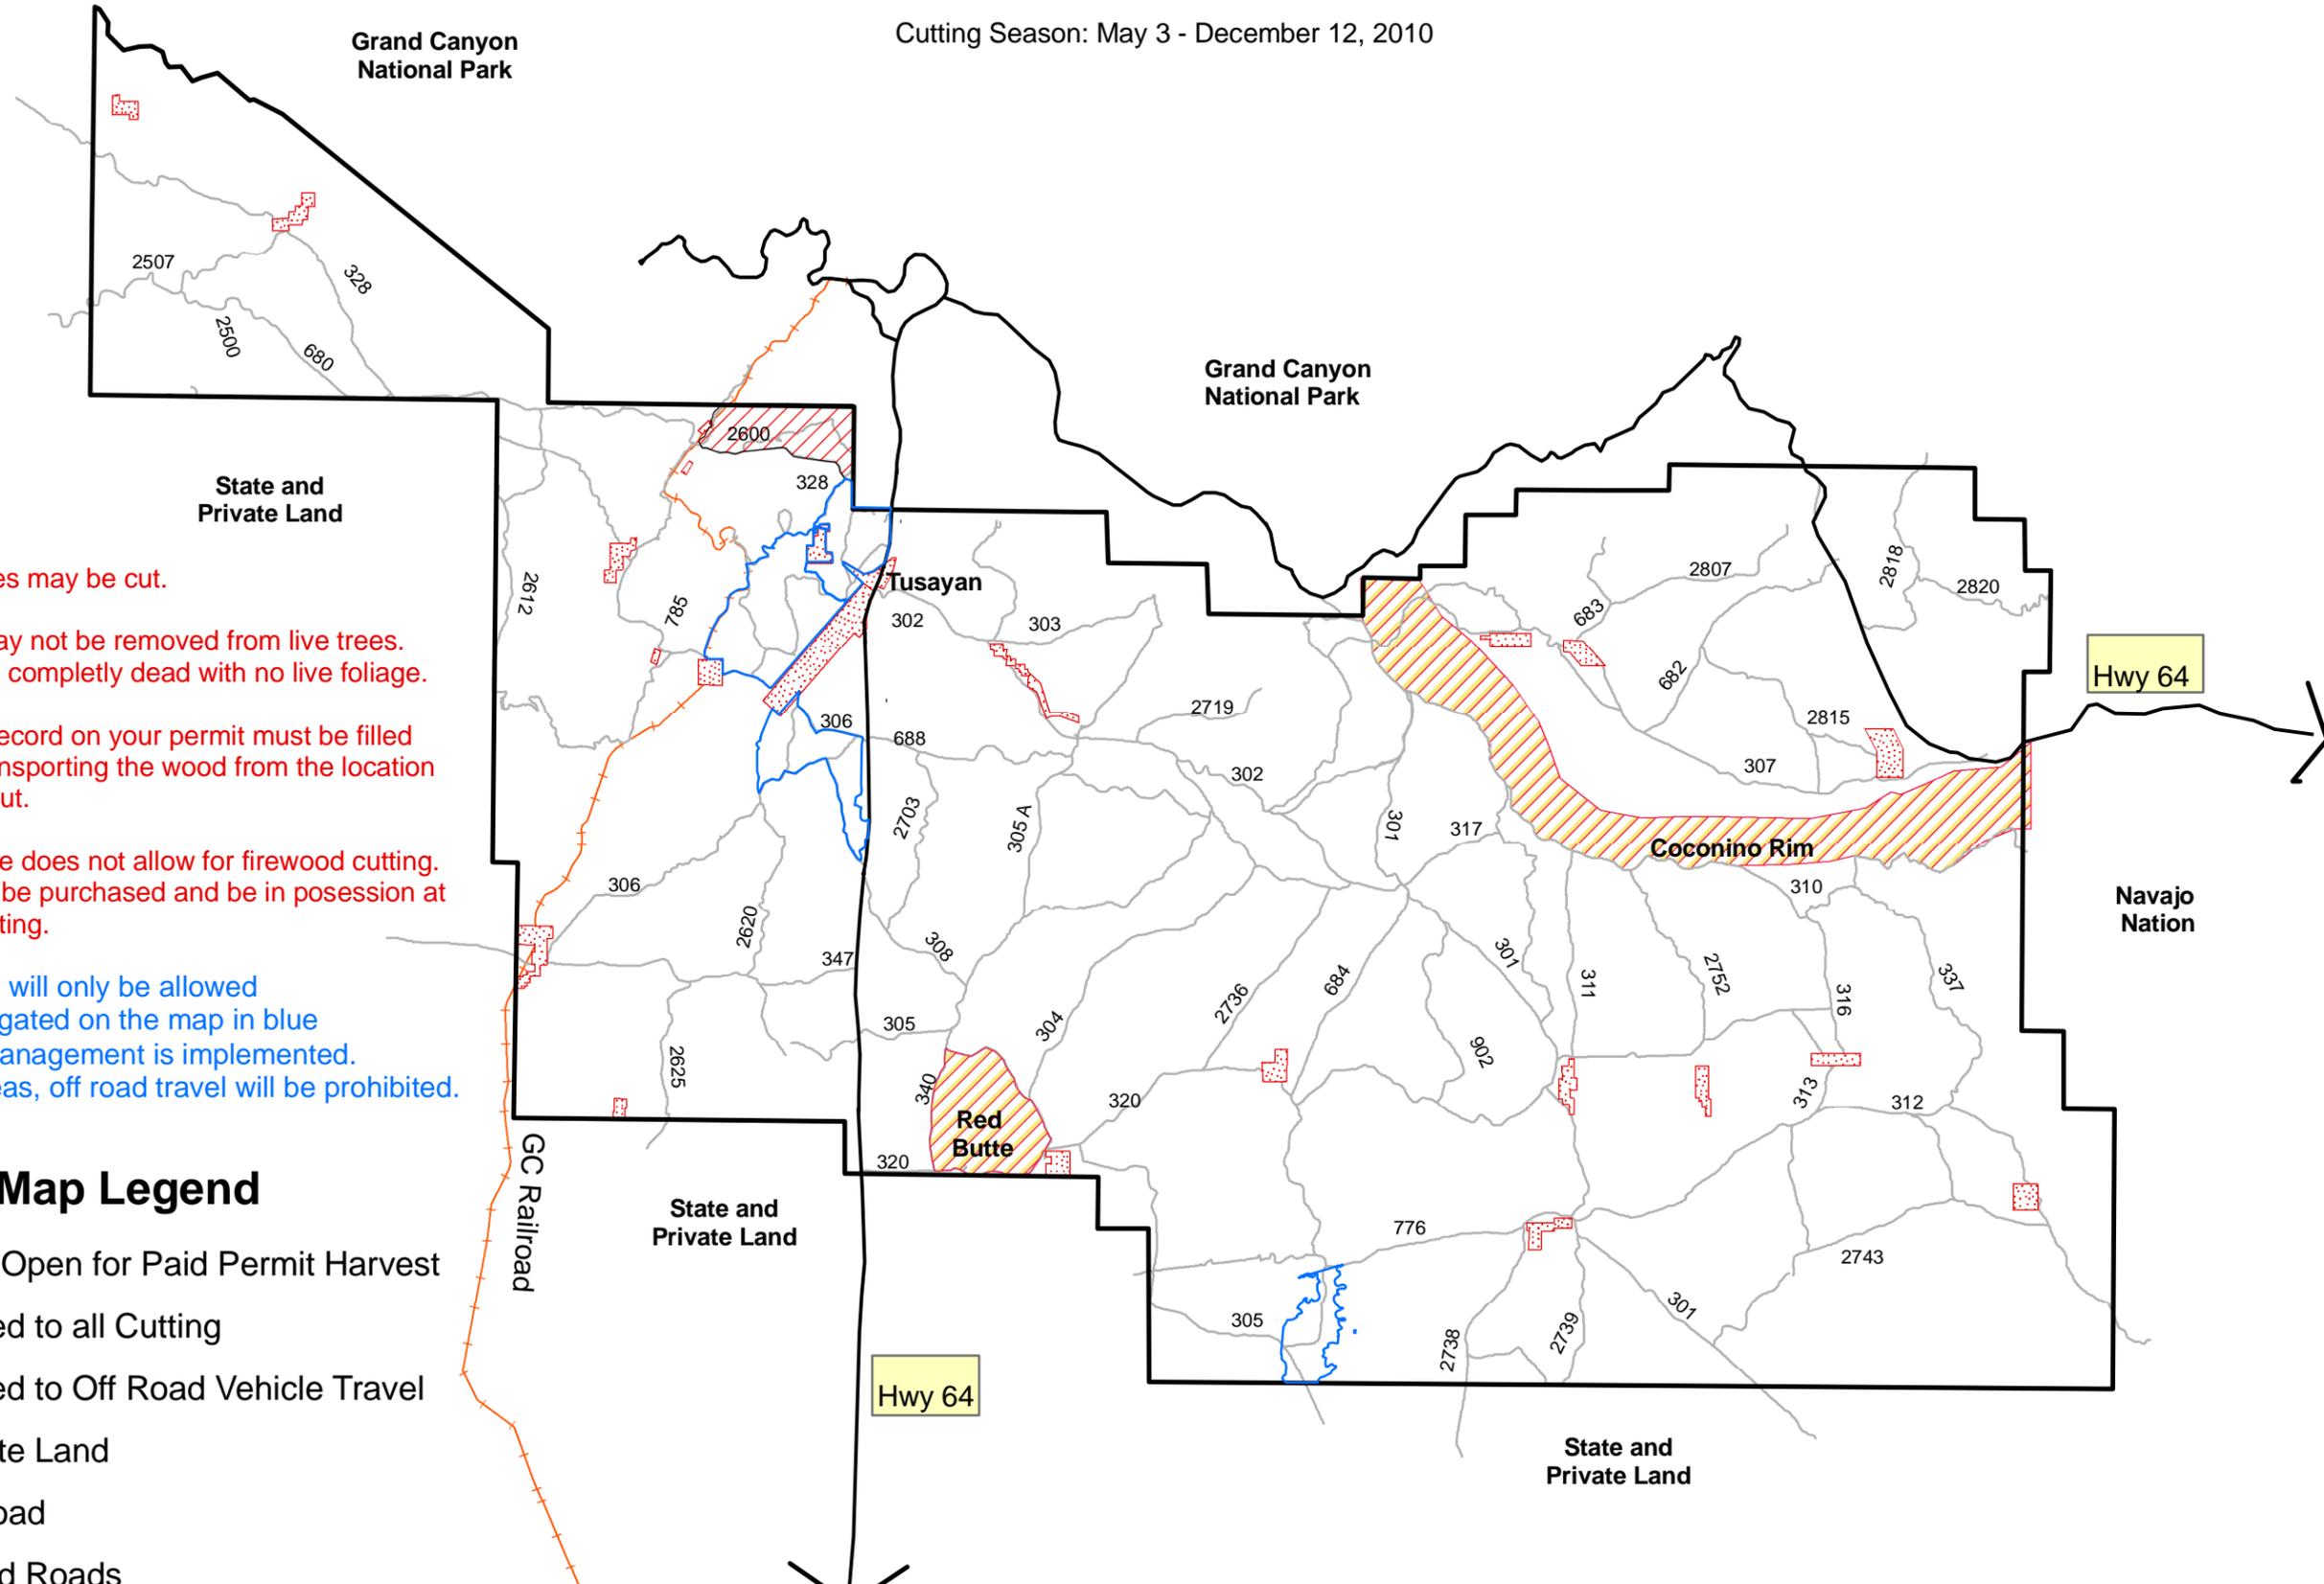

The removal record on your permit must be filled out prior to transporting the wood from the location where it was cut.

This map alone does not allow for firewood cutting. A permit must be purchased and be in possession at the time of cutting.

Off road travel will only be allowed in areas designated on the map in blue once Travel Management is implemented. In all other areas, off road travel will be prohibited.
