Closure Extended for Bridge Forest Road 642, Twin Cabins

Grangeville, Idaho – The closure of the Twin Cabins road (FR 642) at the South Fork of White Bird Creek, has been extended to August 14. The road will be closed 100 yards either side of the bridge replacement. Road closure signs will be posted in advance to alert the public.

The extension of the closure is due to delayed delivery of the prefabricated bridge beams used on the bridge replacement at the South Fork White Bird Creek.

If you have questions about this project please contact the Clearwater Ranger District at 104 Airport Road or call (208) 983-1950.
