

FINAL NOTES
Forest Plan Revision Meeting – August 31, 2005

The sixth meeting of the Koozanusa/Tobacco Geographic Area (GA) collaborative effort to recommend edits to the Starting Option for revision of the Kootenai National Forest plan was held at the Lincoln County High School in Eureka on August 31, 2005. The meeting began at 6:30 pm.

The meeting was facilitated by Sandi Mason. Other Forest Service attendees were Betty Holder, Fortine District Ranger, Glen McNitt, Rexford District Ranger, Bob Castaneda, Kootenai NF Forest Supervisor, and Jamie Appelhans.

The meeting was attended by 48 people, representing a variety of interests (logging, wilderness advocates, snowmobilers, backcountry horsemen, motorized use, etc...)

After discussions with the group, Bob Castaneda made a decision to extend the meeting to next week and see what agreements the group can come to. Bob also changed the way to reach consensus. This is outlined in an email from Bob that will be provided to the participants.

Written comments were submitted.

We will meet again on September 7th at the High School in Eureka, starting at 6:30 pm. The meeting adjourned at 9:05.
