### **Ashley National Forest Travel Management Planning Field Trips Planned for Last Three Saturdays in July**

Vernal, Utah July 6, 2007 ... The Ashley National Forest Travel Management Planning team will be holding three fieldtrips on the last three Saturdays in July to meet with the public on-the-ground on each of the ranger districts.

Kris Rutledge, Team Leader for the Travel Management Planning effort stated, "This will be a great opportunity to meet with the public on the ground and view some of the proposals we have received from the public and some of the Forest's concerns about Off-Highway-Vehicle use and the changes that will occur to dispersed camping opportunities on the Ashley National Forest."

The field trips will last all day and will depart from the designated locations at 8 am. Please bring comfortable walking shoes, sunscreen, insect repellent, lunch, drinks and your own transportation.

The dates and meeting places for each of the field trips are:  
July 14th, Roosevelt/Duchesne District, meet at District Office in Duchesne Utah.  
July 21st, Vernal Ranger District, meet at the intersection of Red Cloud Loop Road (Forest Road 018) and Highway 191.  
July 28th, Flaming Gorge Ranger District, meet at Flaming Gorge District Office in Manila Utah.
