### **Whiterocks Cave Tours Scaled Back in 2007**

The Ashley National Forest, Vernal Ranger District, will be scaling back the Whiterocks Cave tours starting this summer, 2007. Six cave tours limited to a group size of 10 each will be scheduled over a two-week period in August 2007.

The Forest will work on updating an emergency action plan and cave management plan for Whiterocks Cave prior to the commencement of the tours in August to ensure a safe experience for cave visitors.

Right now the plan is to accept applications in May for a Whiterocks Cave tour. If you have any questions, please contact Omero Torres (435) 781-5124.
