- Unburned
- Low
- Moderate

1 0 1 2 3 4 5 Miles
 Map Scale 1:15000

Map produced by BAER Team in support of the Northern Region BAER plan. Data was gathered from multiple sources, varying considerably in accuracy, scale, and date. Due to these constraints, our efforts have been field checked or otherwise verified. For these reasons, the data presented in this map is provisional and intended for basic display purposes only.
