Recreation Opportunities

The USDA Forest Service has a continuing commitment to provide access to National Forest lands for everyone.

This guide lists public boat ramp facilities located within the Shasta and Trinity Units of the Whiskeytown - Shasta-Trinity National Recreation Area that have accessible loading platforms.

In addition to providing easy wheelchair access for visitors when launching boats, they also can accommodate the use of patient lifts.

If you would like to use one of these loading platforms at Shasta Lake, they are located at the Antlers, Centimudi and Packers Bay public ramps. At Trinity Lake, there is an accessible loading platform at the Clark Springs public ramp.

The Antlers, Centimudi and Packers Bay public ramps are usually open all year, however they may be closed when the parking lots fill up or lake debris makes launching hazardous. Clark Springs public ramp is open year round or to 46 foot drawn down.

For current information on public boat ramps at Shasta Lake, contact the Shasta Lake Information Center at (530) 275-1589. For Trinity Lake, contact the Weaverville Ranger Station at (530) 623-2121.
