Boat Ramps at Shasta Lake
Shasta Unit • Whiskeytown - Shasta-Trinity National Recreation Area
Shasta-Trinity National Forest

Public Ramps
All of the designated Forest Service ramps have a paved ramp, a dawn and dusk lighted parking area (with the exception of the Sugarloaf ramp), restrooms and garbage disposal facilities. Antlers, Centimudi and Packers Bay have accessible loading platforms. The ramps are usually open all year, however they may be closed when the parking lots fill up or lake debris make launching hazardous. When lake levels are drawn down more than 50 feet, some ramps close. Others are moved to alternate locations. Antlers and Centimudi are most likely to have debris problems, especially in the spring months. Centimudi, Jones Valley and Bailey Cove often fill up on holiday weekends. Check with the Shasta Lake Ranger Station, (530) 275-1587, or the website at www.fs.usda.gov/detail/stnf/recreation for current lake and boat ramp conditions.

A daily use fee of $16/day is required at all open public ramps. Season Passes are available from Shasta Recreation Company at (530) 275-8113.

Bald Eagle and hazardous condition closures may apply to all facilities.

Interagency Recreation Passes: Shasta Recreation Company will honor a 50% discount on all applicable fees for holders of Senior and Access passports. Applicable fees include daily or season launch passes.

Courtesy docks: During the summer months, courtesy docks are available at the public ramps to load passengers and cargo. Boats 26 feet and longer are prohibited from tying up to the courtesy docks. Larger boats can anchor to the shoreline to accommodate loading needs. It is unsafe and a violation of State Law to swim, dive from, sunbathe on, or fish from any courtesy dock or within 200 feet of a boat launching ramp.
