Forest Plan Glossary, (36CFR 219.7(b)(2))

The Chippewa and Superior National Forest conducted a joint Forest Plan revision effort that resulted in a single FEIS and two separate but similar Forest Plans. The Superior National Forest Plan allows ATV/ORV use on un-classified roads. Cross country travel and use of unclassified (unauthorized) roads is prohibited on the Chippewa NF through the following Forest Plan Standards:

S-ORV-1 ORV use on unclassified roads is prohibited (Plan 2-42) and

S-ORV-4 Cross-country ORV and snowmobile travel is prohibited. (Pan 2-43)

The Glossary for the Chippewa NF Plan currently contains some definitions that are specific to the Superior National Forest Plan.
