The native stone dam forms a small lake with a grassy beach providing a variety of water depths for swimmers. A diving platform is located near the dam.

There are three camping loops, with group sites available in Loop C. Camp sites with electricity, water and sewer are available in loop C. Sites with electricity and water are available in loop B.

Each camping unit includes a table, tent/trailer pad, cooking grill, lantern post and parking spur. A water hydrant, garbage can, and restrooms with cold showers (warm showers in loop B and C) are within reasonable walking distance. Some travel trailers up to 35 feet in length can be accommodated at camping units and a dump station is available at the entrance to the campground.

Picnic, swim, hike, fish and camp along picturesque Walnut Creek, a cold, spring-fed mountain stream in the heart of the Ouachita National Forest. This historic recreation area features a captivating native stone dam that forms the swimming area and rustic bathhouse built by the Civilian Conservation Corps federal work program in 1935.

For more hiking try the nearby Lake Ouachita Vista Trail or the Ouachita National Recreation Trail extending 192 miles east to west across the Ouachita National Forest.

The Womble Trail is also available for hiking and is highly regarded as one of the premier mountain biking trails in Arkansas. Lake Ouachita abounds in water sport opportunities including fishing, boating, water skiing and scuba diving. Hotels, restaurants and camping facilities are available. Collecting quartz crystals is another of the area’s popular pastimes.
