Temporary Trail Closure
on the Swan Lake Ranger District

The Phillips Trail, #373 on the Swan Lake Ranger District of the Flathead National Forest is temporarily closed due to fire activity. For public safety, the trail is closed while fire crews continue to work on the six acre Old Airstrip Fire, about 2 air miles south of Woods Bay. It's anticipated that the trail will remain closed at least through the remainder of the week.

For more information, please contact the Swan Lake Ranger District, 406/837-7500.
