## **Fireworks Prohibited on National Forest**

When asked if fireworks were allowed on National Forests at *any* time of year, the fire prevention spokes-bear, Smokey, replied:

**“No.”**

Then he smiled (as only the fire prevention spokes-bear can) and added:

**“Thanks.”**

Smokey wants everyone to enjoy summer and July 4<sup>th</sup> activities, but reminds that fireworks are prohibited on all Federal and State public lands.

Remember, only YOU can prevent wildfires.
