Order No. 19-08-12
USDA Forest Service
Lake Tahoe Basin Management Unit
Winter Vehicle Restrictions

Pursuant to 36 CFR 26l.50(a) and (b), and to protect natural resources and public safety, the following acts are prohibited within the Lake Tahoe Basin Management Unit. This Order is effective from December 1, 2008, through November 30, 2010. The prohibitions contained in this Order apply only when there is snow on the ground:

1. Using or possessing a motor vehicle off National Forest System roads in the areas shown as closed on Exhibit A. 36 CFR 261.56.

2. Using a motor vehicle on a National Forest System road in the areas shown as closed on Exhibit A. 36 CFR 26l.54(a).

3. Using a motor vehicle on a National Forest System trail in the areas shown as closed on Exhibit A. 36 CFR 261.55(b).

4. Using any rubber-tired vehicle on the National Forest System roads listed in Exhibit B. 36 CFR 26l.54(a).

5. Using any rubber-tired vehicles on National Forest System trails listed in Exhibit C. 36 CFR 261.55(b).

6. Using any rubber-tired vehicle off National Forest System roads. 36 CFR 261.56.

Note: For the purpose of this Order, a wheelchair is not considered to be a motor vehicle or a rubber-tired vehicle.

Pursuant to 36 CFR 26l.50(e), the following persons are exempt from this Order:

1. Persons with a permit from the Forest Service specifically authorizing the otherwise prohibited act or omission.

2. Any Federal, State, or local officer, or member of an organized rescue or fire fighting force in the performance of an official duty.

These prohibitions are in addition to the general prohibitions contained in 36 CFR Part 261, Subpart A.

Done at South Lake Tahoe, California, this 25th day of November 2008.

Snowmobile Use
Snowmobile use is allowed only in areas shown as "OPEN to Snowmobile Use" on this map. (See legend)
There must be adequate snow on the ground to prevent resource damage. Any contact between the snowmobile and the ground is prohibited.
Use of any other type of motor vehicle in the areas open for snowmobiling is prohibited off National Forest System roads and trails.
In California, snowmobile registration laws are strictly enforced. All snowmobiles must be currently registered or have a non-resident operating permit.
The effective date of these restrictions will vary, depending on weather and snow conditions. Please check with the Forest Service for the current status of these restrictions.
The operator is responsible for knowing and following all local, County, or State regulations that pertain to snowmobile use.
Violation of federal regulations relating to snowmobile use may result in a citation, with a maximum penalty of up to a $5,000 fine and/or 6 months in jail.
