

Explanation

- MW-14**
 6,316.80
 Groundwater monitoring well location and number with groundwater elevation in feet above mean sea level (wells gaged on 05/15/06)
- M-2**
NE
 Groundwater monitoring well with no groundwater elevation (Wells M-1 through M-7 are not surveyed, other wells were not gaged)
- 6,315**
 Groundwater elevation contour in feet above mean sea level
- 6,375**
 Groundwater elevation contour for perched groundwater table
- Sanitary Sewer & Manhole

Groundwater Elevation Contour Map
