### **Weekend Parking Limited at Chimney Park**

(Laramie, Wyo. Jan. 28, 2009) Parking will be tight at Chimney Rock this weekend.

Each year, the Boy Scouts of America, Longs Peak Council holds a large multi-troop event at the Chimney Park Boy Scout Camp. There are typically 100 to 150 participants for this Friday evening through Sunday afternoon event. This year, the event is scheduled for the weekend of January 30 - February 01, 2009.

“It will be a busy, crowded weekend at Chimney Park. We want folks to know about large activities so they can plan accordingly,” said Laramie District Ranger, Larry Sandoval.

Have a safe enjoyable weekend! For more information, call Marla Wertz at 307-745-2405.
