For more information on Tread Lightly!, go to Discover the rewards of responsible recreation.

Educate yourself plan and prepare before you go. Respect the environment and the rights of others. Many may receive little maintenance. Designated roads, trails, and areas may also be subject to temporary, emergency closures. As a visitor, you must take care at all times to protect yourself and those under your responsibility. Dangerous or impassable terrain. Many designated roads and trails may render designated roads and trails impassable for the conditions and expected weather. Seasonal weather conditions and natural events may cause the National Forest System road, trail, or area to temporary, emergency closures. As a motorist, you must be aware of the National Forest System restrictions that apply on those roads, National Forest System trails, and in areas on National Forest System lands. The purpose of this MVUM is to protect the life, health, or safety of participants. This MVUM also identifies the vehicle classes allowed on each route and in each area on a temporary basis to protect the life, health, or safety of participants. Use Map.
