FORD HAZARD TREE TIMBER SALE

The **American River Ranger District**, Tahoe National Forest, is now planning to advertise the **FORD HAZARD TREE TIMBER SALE** in **April 2014** for a total of a **15 day advertisement period**. Prospective bidders are encouraged to review the sale area prior to advertisement. This will be a **SCALED** sale of sawtimber. The **FORD HAZARD TREE TIMBER SALE** offering requires a ground based logging system on 247 acres for an estimated 7,200 CCF (4.8 MMBF) of Sawtimber. In this sale trees to be left uncut are marked with **ORANGE** paint above and below stump height. Refer to the enclosed Pre-Advertisement Map for locations of Subdivisions where trees are to be removed. For questions regarding this sale please contact Wesley Guthrie at (530) 478-6284.
