Equipment Operator (C&M Crew)	WG 8: Coming Soon	TBA	Bartlett, NH

POSITIONS AVAILABLE:

Visitor Information Services Assistant – staffs a visitor center providing Forest information and education. Sells forest products permits and retail items. Helps deliver interpretive and educational programs to a variety of audiences.

Developed Recreation Technician – performs a variety of maintenance tasks at recreation sites and day use areas including cleaning toilets, trash removal, mowing lawns, collecting and processing recreation fees and enforcing Forest regulations.

Backcountry/Wilderness Ranger – performs visitor information and education, maintains sites and facilities, and enforces Forest regulations at remote sites in backcountry and Wilderness areas.

Trail Crew Member and Leader – performs trail maintenance and reconstruction. Work includes cleaning waterbars, clearing blowdowns, brushing, and blazing. Heavy reconstruction work involves quarrying and setting rocks and logs for waterbars, staircases, turnpikes, and other trail features.

Forestry Technician (Timber Sale Prep.) – performs brush saw/chainsaw removal of non-commercial trees, collects seedling and tree data, layout and painting skid trails and timber sale boundaries, tallying and marking timber for harvest and other duties. Duties could include site preparation for prescribed fire operations.

Partnership and Volunteer Coordinator – Organizes and coordinates trails projects with partners, volunteers and employee crews across the District. Augments the District Trail crew by providing professional and technical support as needed.

Construction and Maintenance Crew – work as an equipment operator (CDL required) or laborer on road projects across the Forest. The position will be physically located in Bartlett, NH.

Biological Technician (Wildlife) - Primarily performs bat acoustic surveys, but may assist with other wildlife surveys and habitat improvement projects.
