

Inyo Recreation 2014 Campground Opening/Closing Dates

DATES SUBJECT TO CHANGE: The following dates are ANTICIPATED opening dates for campgrounds on the Mammoth and Mono Lake Ranger Districts of the Inyo National Forest. The U.S. Forest Service projects these dates by evaluating snowpack and conditions in the campgrounds and comparing these conditions to opening dates in prior years. Weather, temperature, and resource conditions may result in changes to these anticipated opening dates. Visitors should check the Inyo National Forest Web Site for updates prior to visiting the forest and planning stays in these campgrounds.
