Dear Prospective Bidder:

The Forest Service will receive technical and price proposals (no public opening) at Okanogan Wenatchee National Forest Supervisor's Office, 215 Melody Lane, Wenatchee WA, 4:30 pm local time on or before May 12, 2014 for the Low Pole Stew Reoffer Contract. This contract is located in T.27N., R17 E., Sections 3, 10, 11, 14, 15, 34 and T.26N., R17E., Sections 3, 10, 11, 14, 23, 26 W.M., Chelan County, Washington. Contract Form FS-2400-13, will be used. The termination date for this contract is March 31, 2017.

This Stewardship Contract includes the removal of timber and the completion of twelve projects (12) restoration service type projects and (6) optional projects meant to improve ecological conditions within the Okanogan Wenatchee National Forest. Contractor will earn stewardship credits equal to the value of service work completed and accepted that will offset an equal amount of stumpage required to be paid by the contractor.

There are 1.99 miles of specified road construction. A specified road reconstruction cost of \$12,732.74 has been allowed in the appraisal for this work.

Measurement of the estimated quantities will be made after felling. The total estimated quantity on this contract is 53,282 TONS. The Forest Service encourages potential bidders to make their own inspection and estimate prior to bid submission. The Forest Service makes no representation, warranty, or guarantee of the accuracy of the following quantity estimates;

A bid guarantee is not required.

The minimum acceptable bid for advertised timber is \$69,799.42 for biddable species.

Bidders are required to submit a Bid Price/Best Value proposal for this contract. Contract award will be based on a determination of which proposal constitutes the best value to the Government. Proposals will be submitted in two parts and will include a Technical and a Price Proposal. Details on what to include in the proposals are stated in the Solicitation. Award will be made to the offeror whose offer is both technically acceptable and whose technical/price relationship is the most advantageous to the Government. **The Government may, when in its interest, reject any or all offers or waive any informality in offers received. A written award mailed, or otherwise furnished to the successful Offeror, shall be deemed to result in a binding contract without further action by either party.**

PRE-OFFER MEETING: A pre-offer conference will be held for prospective offerors at 10:00 AM on Tuesday April 8, 2014 at the Wenatchee River Ranger District, 600 Sherbourne, Leavenworth, WA. The purpose of the meeting is to go through the Integrated Resource Timber Contract, explain the Best Value award process and requirements for both the price and technical proposals, and explain/review the requirements of the stewardship restoration projects.

Parties submitting a technical proposal are to use the Region 6 Technical Proposal Template for the Integrated Resource Timber Contract in responding to included evaluation criteria.

Offerors must submit a proposal that meets all requirements specified in the sample contract. No alternate proposals will be accepted.

If you wish further information on this contract, the prospectus, solicitation, and the restorative service projects, please write or call the Okanogan Wenatchee National Forest Supervisor's Office, 215 Melody Lane, Wenatchee, WA 98801 or the Wenatchee River Ranger District, 600 Sherbourne, Leavenworth, WA., or go to the forests' webpage at "<http://www.fs.usda.gov/resources/okawen/landmanagement/resourcemanagement>".

Sincerely,

Susan Rinke
Contracting Officer
