WITNESSETH, That the parties hereto mutually agree as follows:

**Sec. 1. Contract area.** The Government hereby sells to Purchaser and Purchaser hereby buys from Government, under the terms and conditions of this contract, all of the mineral materials described in Sec. 2 below, for severance, extraction, or removal, on the following described lands situated in the Gunnison National Forest, Paonia Ranger District, County of Gunnison, State of Colorado as shown on the operating plan marked "Exhibit A", attached hereof.

- **Site – PAO (Kebler Pass Mineral Material Source) Sec. 4, T.13 S., R. 87 W., 6<sup>th</sup> PRINCIPAL MERIDIAN** containing 1 acre, more or less. **GPS 38° 51' 25" N; 107° 8' 48" W.**

**Sec. 2. Amount and price of materials.** The total purchase price will be determined by multiplying the total quantity of each kind of mineral material designated by the respective unit price as set forth below, or as changed through reappraisal hereunder.

KIND OF MATERIAL	QUANTITY	PRICE PER UNIT	TOTAL PRICE
LANDSCAPE ROCK		\$10.00/ton	

Determination by the Authorized Officer of the quantity of materials taken is binding on Purchaser subject to appeal only as provided in Sec. 14. All materials in the contract area in excess of the estimated quantity listed above are reserved by Government.

**Sec. 3. Payments, passage of title, and risk of loss.** Title to materials sold hereunder passes to Purchaser immediately before excavation and upon proper payment for such materials. No part of the material sold hereunder may be served, extracted, or removed by Purchaser until payment for such materials has been made in accordance with the following:

- (a) Unless materials sold under this contract are paid for in full in advance, payment for materials must be made in installments of not less than \$ [redacted] each. The first installment must be paid upon approval of this contract.

- (b) Each additional installment is due and payable as billed by the Authorized Officer in advance of removal of the remaining material. The first installment will be retained as additional security for the full and faithful performance of this contract by Purchaser, and will be applied in whole or in part to the payment of the last installment required hereunder to make the total payment equal the total price set forth in Sec. 2, above.

The total purchase price must equal the sum of the total quantities severed, extracted, or designated therefor, multiplied by their respective unit prices. The balance due where less than a full installment remains to be paid upon the total price will be the value of material remaining to be severed or extracted. Each installment will be held in suspense until the quantity of material covered thereby has been determined. The total purchase price must be paid at least 60 days before the expiration date of the contract.

Upon termination, if the total payments made under the contract exceed the total value of the actual materials removed, the excess will be returned to Purchaser, except as noted in 36 CFR 228.66.

- (c) Risk of loss shall be borne by the party holding title to the mineral material at the time of loss except that nothing herein shall be construed to relieve either party from liability for breach of contract or any wrongful or negligent act.

- ~~(b) If all terms of this contract are not faithfully and fully performed by Purchaser, the bond in the sum of \$ \_\_\_\_\_ filed at the time of the signing of this contract will be forfeited to the amount of damages determined by the Authorized Officer. If damages exceed the amount of the bond, Purchaser hereby acknowledges liability for such excess. Upon satisfactory performance of this contract, the bonds will be canceled, or if cash or United States securities were furnished in lieu of a security bond, such cash or securities will be returned to Purchaser.~~
- ~~(c) Whenever any bond furnished under this contract is found unsatisfactory by the Authorized Officer, the Authorized Officer may require a new bond which is satisfactory.~~

**Sec. 6. Expiration of contract and extensions of time.** This contract will expire on \_\_\_\_\_, 20\_\_\_\_, unless an extension of time is granted in accordance with the provisions of 36 CFR 28.53(b). **~~Sec. 8. Notice of operations.~~** ~~Purchaser must notify the Authorized Officer immediately of the commencement and termination of operations hereunder. A report of production will be furnished at least annually by Purchaser to the Authorized Officer.~~

**Sec. 9. Responsibility for damages.** Purchaser is liable in damages for the loss or destruction of all Government property for which Purchaser is directly or indirectly responsible under this contract, or resulting from Purchaser's failure to perform under this contract in accordance with the instruction of the Authorized Officer, as well as for costs incurred by Government resulting from Purchaser's breach of any of the terms hereof, or Purchaser's failure to engage in proper conservation practice. For damages resulting from willful action or gross negligence of Purchaser, Purchaser's contractors or subcontractors, or any of their employees, Purchaser is liable for triple the appraised value of damaged or destroyed materials as determined by the Authorized Officer. If the Authorized Officer determines that the damage or destruction did not result from Purchaser's willful action or gross negligence, lesser damages may be charged, by not less than the actual appraised value of the materials. Purchaser must pay the Government for such damages within 30 days after a written demand therefor by the Authorized Officer.

**Sec. 10. Violations, suspension, and cancellation.**

- (a) If Purchaser violates any provision of this contract the Authorized Officer may, after giving written notice, suspend any further operations for the Purchaser under this contract, except such operations as may be necessary to remedy any violations. The Authorized Officer may grant Purchaser an additional 30 days, after service of written notice, to correct any violations. If Purchaser fails to remedy all violations, the Authorized Officer may, by written notice, cancel this contract and take appropriate action to recover all damages suffered by the Government by reason of such violations, including application toward payment of such damages of any advance payments and bonds.
- (b) If Purchaser extracts or removes any mineral materials sold under this contract during any period of suspension, or if Purchaser extracts any of such material after expiration of the time for extraction or the cancellation of this contract, such extraction or removal is in trespass and renders Purchaser liable for triple damages.

**Sec. 13. Tenure.** Unless otherwise provided by this contract, Purchaser has the right to extract and remove the materials until the termination of the contract, notwithstanding any subsequent appropriation or disposition under the general land laws, including the mining and mineral leasing laws.

**Sec. 14. Appeal.** Unless specifically excluded by 36 CFR 251.80, Purchaser may appeal any decision by the Authorized Officer regarding this sale of mineral materials.
