

2014 Tusayan RD Free Use Fuelwood Areas

Cutting Season: April 14th - December 31st, 2014

Map Legend

- Highway
- Open Road
- AZ Trail (No Vehicles)
- Area Open to Free Use Cutting
- Cross Country Travel Permitted when Dry
- Kaibab NF Boundary
- Non-FS Land (No Cutting)

Only dead and downed ponderosa pine, pinyon pine, and juniper may be removed.

Cutting areas are signed and have orange painted trees marking the boundaries.

Cross country travel is permitted only within designated areas and only when ground is dry and damage (i.e., rutting) will not occur.

This map alone does not allow for fuelwood cutting. A permit must be acquired and in cutter's possession at the time of cutting.

More free use areas may be added. Call the Tusayan RD at (928)638-2443 for more info.
