ABOUT THE FOREST:

The [Mark Twain National Forest](#) is made up of six ranger districts, mainly located in the southern third of the state. The Forest Supervisor's Office is located in Rolla, Missouri. The Mark Twain NF contains approximately 1.5 million acres, comprised mainly of upland hardwoods and some associated shortleaf pine. A full range of vegetation and recreation management activities on the forest include timber harvest and regeneration activities, TSI, prescribed fire, developed and dispersed recreation, and mining.

DISTRICT INFORMATION: The A/C/W RD covers approximately 320,000 acres of Federal Ownership. It is located in seven southwestern Missouri counties: Barry, Christian, Douglas, Howell, Ozark, Stone, and Taney.

A/C/W RD hosts 26 PFT positions. The District program of work includes management of the largest acreage of Federally owned glades in the State of Missouri; management of three State Natural Areas; timber harvesting for utilization and other resource objectives; two recreation fee demo campgrounds (one of which connects to approximately 70 miles of ATV and motorcycle trails and the other adjacent to the North Fork of the White River), four day use areas, three National Forest Scenic Byways, one national recreation trail and several dispersed recreation opportunities. The program of work also includes the management of three Wilderness Areas: Hercules Glades – 12,315 acres (Ava unit); Piney Creek – 8,142 acres (Cassville unit); and Devil's Backbone – 6,595 acres (Willow Springs unit); special uses management is increasing with the emphasis in road access, recreation events, utilities and commercial river outfitter and guide uses.

There are numerous non-recreational caves (currently under a Forest Closure Order) on the District and Forest, managed for various Threatened, Endangered and Sensitive species. An active heritage program exists on the A/C/W RD. It is rich in cultural resources including Native American, Civil War and Civilian Conservation Corps history.

Ecosystems on the District include cedar glade, oak, oak-pine, and pine forests, oak savanna, and open woodlands. The terrain ranges from the rough breaks and dissected hill country to the flat plains. Walking conditions can range from open park like conditions to steep slopes with dense mid and understories
