Dear Olympic Peninsula Resource Advisory Committee Members,

Thank you for your continued participation on the Olympic Peninsula Resource Advisory Committee (RAC). We look forward to our next meeting to discuss 2014 Title II project proposals within Clallam, Grays Harbor, Jefferson, and Mason Counties. The intent of the meeting will be to compile a list of projects to be funded for my final approval. The projects must benefit resources on or adjacent to Olympic National Forest lands.

The approximate amount available for allocations at this time, by county is:

Clallam – \$126,891
Grays Harbor – \$64,871
Jefferson – \$118,008
Mason – \$52,977

We have a few tentative dates for the RAC meeting that will be held from 9:00 AM until 5:00 PM at the Olympic National Forest Supervisor's Office, 1835 Black Lake Blvd. SW, Olympia, Washington, 98512. We have set up a "Doodle Poll" for you to select your preferred dates for the RAC meeting (May 28, 29, or 30). To access the Doodle calendar, please go to: <http://doodle.com/gtgbxgfpv3avdbkc>.

If you prefer to provide your dates by phone, you may contact Bill Shelmerdine, Title II Project Coordinator, at 360-956-2282. We will contact you once we have determined a date for the meeting.

All 2014 Title II proposals are now posted for your review on the Olympic National Forest website: <http://www.fs.usda.gov/olympic> under the Quick Link – Secure Rural Schools.

If you requested a hard copy of proposals, in this packet you will find:
