Prospective Purchasers of National Forest Timber:

The attached Timber Sale Program Announcement represents the various tracts of timber that are planned to be advertised for sale on the Chequamegon-Nicolet National Forest for the period beginning April 1, 2014 and ending March 31, 2015.

At present, we have not established any small business set-aside sales. Should further analysis determine the need for a set-aside program, you will be notified.

Sales with a date listed in the DECISION DATE column and no "Remarks" related to NEPA or litigation are covered under an approved environmental document, and the decision to offer the sale has been made. Some sales have "remarks" related to the sale associated with litigation, but with no constraints on implementation at this time. These sales will be offered unless held up by future court action.

The other sales in the announcement are for the first half of FY15 and should show up again when we send the next sale announcement in October that will cover all of FY15.

We are no longer asking that you select the sales of interest to you. Based on your previous years' responses, we have generated "East Side", "West Side" and "All Sales" mailing lists. These lists will be used to determine distribution of prospective bidder letters at the time of sale advertisement. If you wish to verify that you are on your desired mailing list, please contact Kristi Keach at 715-362-1327.

More detailed information concerning each tract can be obtained at the time of advertisement from this office or from the districts involved. The locations of the District Rangers in charge are as follows:
