SPECIAL MESSAGES

To protect wilderness resources, please observe these rules:

-  Motorized equipment (such as chainsaws, drills, etc.) are not allowed in Wilderness
-  Mechanized travel (including bicycles) and wheeled vehicles (including game carts) are not allowed.
-  Aircraft (including parasails) are prohibited from landing or dropping off/picking up persons or supplies.
-  Group size is limited to 15 people and/or 10 pack animals per party.
-  Campsites and campfires must be at least 100 feet away from lakes, streams, and trails.
-  Feed for stock must be processed. Pelletized feed, rolled grains, and other processed feed are allowed. Please note that "weed-free hay" has not been processed, and is prohibited.
-  Pack and saddle animals must be hitched, tethered, or hobbled at least 100 feet away from lakes, streams, and trails.
-  All dogs must remain on a hand-held leash when in the wilderness.
-  Shortcutting a switchback in a trail is prohibited.
