Stephens Production Company Gas Well 1-15H Project

On May 7, 2014, Deputy District Ranger Rob Kopack made a decision to approve the Surface Use Plan of Operations (SUPO) for the Application for Permit to Drill (APD) submitted by Stephens Production Company for ARES 54692 USA#1-15H Gas Well. The APD plans construction of a gas well, drill pad, reserve pit, access road, and gathering lines. In addition, Stephens Production Company seeks to operate and maintain these facilities if the well is productive.

The planned activities are located in Section 15 of T6N, R25W of the Mt. Magazine Ranger District. This site is located approximately 2.0 miles west along Green Bench Road from State Highway 309 in Logan County, Arkansas.

For further information regarding this project, contact Rob Kopack at (479) 963-3076.

This decision may be implemented immediately.
