Located on a 355-acre wooded peninsula extending into Cave Run Lake, Zilpo Recreation Area features 166 tent and RV campsites and 12 cabins nestled along three miles of shoreline. Many sites are shaded with large hardwood trees and all are within walking distance of the lakeshore.

Facilities include bath houses with flush toilets and showers, some electrical RV hookups, trails, scenic overlooks, a boat ramp and a country store.

A large sandy beach with roped swimming area offers visitors a spectacular view of the lake. It's open from 11 a.m. to 8 p.m. The beach and bath house are accessible.

A concrete boat ramp features a dock for easy loading and a large parking lot. The country store offers food, snacks, ice, fishing licenses, bait and tackle, and camping supplies.

The cabins and campsites may be reserved by visiting the National Recreation Reservation Service (NRRS) website at www.recreation.gov. Call toll-free 877-444-6777 (877-833-6777 for the hearing impaired). Reservations must be made at least 10 days in advance.
