The following Provisions in the Cooperative Fire Protection Agreement are hereby by modified:

**22. ELECTRONIC FUNDS TRANSFER (EFT)** The recipient/cooperator shall designate a financial institution or an authorized payment agent through which a federal payment may be made in accordance with US Treasury Regulations, Money and Finance at 31 CFR 208, which requires that federal payments are to be made by EFT to the maximum extent possible. A waiver may be requested and payments received by check by certifying in writing that one of the following situations apply:

1. The payment recipient does not have an account at a financial institution.
2. EFT creates a financial hardship because direct deposit will cost the payment recipient more than receiving a check.
3. The payment recipient has a physical or mental disability, or a geographic, language, or literacy barrier.

In order to receive EFT payments the recipient/cooperator shall register in the System for Award Management (SAM). You may register by going to [www.sam.gov](http://www.sam.gov) and following the instructions provided online. For assistance, contact SAM User Help contact the supporting Federal Service Desk at (866) 606-8220 or [www.fsd.gov](http://www.fsd.gov) .
