Prescribed Fire Public Information Fact Sheet

- Project Name: Cross River and Nine Mile Prescribed Burns
- Information Contact: Tofte Ranger Station 218-387-8087
- Date of Burn: Spring Or Fall
- Location: Cross River-T 59 North, R 5 West, Section 99
Nine Mile - T 59 N, R 6 W, Section 14
- Project Size: 79 Acres
- Project Description: The Superior National Forest plans to conduct prescribed burns on the Cross River and Nine Mile wildlife openings. These openings are both natural and human created. Prescribed burning will maintain the openings while providing excellent browse vegetation for numerous species including moose, deer, hummingbirds, butterflies, grouse and woodcock.
- Closures: No closures are anticipated.
