

Recreation fees are an investment in outdoor recreation. Current and future generations will benefit as 95% of the funds are reinvested in the facilities and services that visitors enjoy, use, and value.

Accomplishments Provided with Recreation Fees:

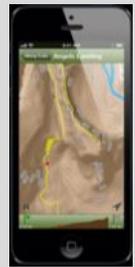

- Completed annual fire safety inspections and implemented a recycling program at recreation rentals.
- Winterized facilities to open them year-round.
- Replaced front porch rails and steps at Jones Corral Guard Station.
- Worked with local youth groups who completed various recreation maintenance projects.

Boy Scouts completed project work at Duck Creek Visitor Center.

Special Feature

Wondering where a campground or rental cabin is on the Dixie? There's an app for that! Digital Ranger is a new mobile application that gives visitors to southern Utah an easy way to search for recreation facilities and opportunities. Once installed it doesn't need an internet connection for most functions so can be used in areas without cell coverage. When people know more about the facilities and opportunities available around them, they can spend less time searching and more time enjoying.

Dixie National Forest Revenue & Expenditures

Revenue	
Source	Amount
Recreation Fees	\$44,421
Special Uses	\$123,932
