Sale of National Forest Timber

The Forest Service may advertise timber for sale in the following proposed timber sale area on the Tahoe National Forest prior to June 30, 2014, depending upon a final decision on the Big Hope Project. The Macedon Fire Salvage Sale contains 2,111 acres more or less, 159 acres of which are identified as aerial, within Sections 1, 2, 10, 11, 12, 13, 14, 15, 22, 23 & 24 of T15N, R12E and Sections 4, 5, 6, 7, 8, 9, 17, 18 & 19 of T15N, R13E MDM. The sale is located approximately 16 air miles northeast of Foresthill, CA. This will be a scaled sale of sawtimber. Within Tractor and Aerial units, all trees to be left are marked in white paint, all unmarked trees greater than 11.9 inches dbh are designated sawtimber. Within Roadside Hazard units all trees marked in blue paint are designated sawtimber. This sale contains an estimated volume of 21.6 MMBF of sawtimber designated for cutting.

This advance notice is to afford interested parties time to examine the sale area prior to advertisement. Interested parties may obtain information and maps about the sale area from the American River Ranger District Office at 22830 Foresthill Road, Foresthill, CA 95631 or call (530) 367-2224. The final advertisement will contain final minimum stumpage rates, bidding provisions, and other sale conditions.
