PURPOSE AND CONTENTS OF THIS MAP

The designations shown on this motor vehicle use map are effective as of the date on the front cover of this map and remain in effect until superseded by the next year's motor vehicle use map. It is the responsibility of the user, or acquirer of the current MVUM. This map shows the National Forest System roads, National Forest System trails, and the areas on National Forest System lands in the Routt National Forest that are designated for motor vehicle use pursuant to 36 Code of Federal Regulations (CFR) 212.51. This map also contains a list of those designated roads, trails, and areas; the types of vehicles that are allowed on each route and in each area; and any seasonal restrictions that apply to those routes and in those areas.

Designation of a road, trail, or area for motor vehicle use by a particular class of vehicle under 36 CFR 212.51 should not be interpreted as encouraging or inviting use or implying that the road, trail or area is passable, actively maintained, or safe for travel. Motor vehicle designations include parking along designated roads and at facilities associated with designated routes when it is safe to do so and when not causing damage to National Forest System resources. Seasonal weather conditions and natural events may render designated routes and trails impassable for extended periods. Designated areas may contain dangerous or impassable terrain. Many designated roads and trails may be passable only by high-clearance vehicles or four-wheel-drive vehicles. Maintenance of designated roads and trails will depend on available resources, and many may receive little maintenance.

This motor vehicle use map identifies those roads, trails, and areas designated for the motor vehicle use under 36 CFR 212.51 for the purpose of enforcing the prohibition at 36 CFR 261.13. This is a limited purpose. The other public roads are shown for information and navigation purposes only and are not subject to designation under the Forest Service travel management regulation.

These designations apply only to National Forest System roads, National Forest System trails, and areas on National Forest System lands.

PROHIBITIONS

It is prohibited to pass or operate a motor vehicle on National Forest System lands on the Routt National Forest other than in accordance with these designations (CFR 261.13).

Violators of 36 CFR 261.13 are subject to a fine of up to \$5,000, imprisonment for up to 6 months, or both (18 U.S.C. 3571(a)). This prohibition applies regardless of the presence or absence of signs.

Designated roads, trails and areas may also be subject to temporary emergency closures. As a visitor, you must comply with signs notifying you of such restrictions. A national forest may issue an order to close a road, trail or area on a temporary basis to protect the life, health, or safety of forest visitors or the natural or cultural resources in these areas.
